- Size: 96–108 px
- Tracking: +0.20 em
- Color: #FFFFFF

- **Tagline Block** (left of logo, $x \approx 200$)

- “WE SURVIVE. WE CREATE.” → #C33C39, 18–20 px, tracking +0.12 em
- Body text below (14–15 px, #AAAAAA):

Music. Clothing. Words. Tools.
Built from pain.
Made for survival.

- **Primary CTA Button**

- Text: “ENTER THE WORLD” + small crosshair icon
- Size: $\approx 220 \times 48$ px
- Border: 1 px solid #FFFFFF
- Background: transparent
- Font: 13–14 px, uppercase, tracking +0.10 em
- Position: below tagline

- **Pagination Indicator**

- “01 — 05”
- 12 px, color #888888
- Positioned just above the 4-card row

Right Side

- Large outline illustration of the artist (baseball cap, chain, hand on brim)
- Pure line art, 1–1.5 px white stroke
- Extends from $x \approx 1450$ to right edge

- **Right Text Block** ($x \approx 2000$)

ATTIKID
Artist. Creator. Survivor.
This is more than music.
This is everything.

- Font: 15–16 px, #CCCCCC

 - Thumb: small white circle
 - Times: "1:42" left | "3:28" right

Right Section

- “SHARE” + upload icon
 - Volume control (speaker + thin slider)
-

9. Iconography & Illustration Rules

- All icons: thin outline (1–1.5 px stroke)
 - Style: geometric, minimal, industrial
 - Hero artist illustration: pure line art only (no fills)
 - Logo mark: complex geometric construction inside a circle
-

10. Interaction Notes

- Cards: slight brightness lift + border lighten on hover
 - CTA button: invert or fill on hover
 - Nav active state: small filled circle underneath
 - Left rail icons: color shift to #FFFFFF + subtle scale on hover
 - Music player remains permanently fixed at bottom
-

11. Implementation Notes

- Use CSS Grid or Flexbox for the 4-card row
- Left rail and bottom player should be position: fixed
- Hero logo mark can be SVG for crisp scaling
- Subtle noise texture on hero background (very low opacity)
- All measurements above are for the 2560 × 1440 target. Scale proportionally for other breakpoints if needed.
